How to use this chart?

1. Figure out your monthly income.
2. Determine what you currently give per month.
3. Locate your monthly income on the chart.
4. Slide right to find your monthly giving.
5. Prayerfully consider what is comfortable for you.

CHALLENGE EXTENDED:

1. Over the next two months using RaiseRight, online giving, or giving in worship raise the current deficit - **\$3,801.81.**
2. There is currently only enough in our account to make it through the month of November. So, our second challenge is to raise our estimated expenses for the month of December - **\$14,500.**
3. Here's our commitment: Each week receive donations through RaiseRight or direct giving in the amount of roughly - **\$2,300.**
